

Dear Prospective 2020 Sponsor,

Because of many generous local sponsors, the 2019 season was again full of successes! Over the past several seasons, we have seen significant growth of our program. With over 300 players from age 4 to 16 this season, it marked one of the largest number of players in the past 10 years. Our 9-11 and 10-12 year old All-Star teams were able to win their District 6 championships. Each team represented our community well at the Indiana State Little League tournament.

We are sending you this letter to invite you to partner with us to make a difference in the lives of our community's players. Your support of Delta Little League will help to provide for this season's equipment, uniforms, accident insurance and background checks. The Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior **citizens** rather than superior athletes.

Our League depends on the support of our community's business leaders. Our hope is that you will join us in our effort to make 2020 another great year! If you are interested in sponsorship opportunities please review the options on the back of this letter. If you have other ideas not mentioned, we would be glad to accommodate!
